

# Get Cash Back and Save – Consumer Rebate Program

## Description

Common household appliances are some of the biggest energy guzzlers in your home. LADWP offers the Consumer Rebate Program (CRP) to residential customers to promote the use of energy efficient products, ranging from refrigerators to air conditioners. This program is designed to both educate and encourage LADWP residential customers to purchase and install qualifying products in their home.

## Benefits

As a publicly-owned utility, LADWP offers programs to assist our customers in using energy and water more efficiently, which helps reduce your bills, save resources, and protect the environment.

## Qualifications

You must be an LADWP residential customer with active electric meter service. Check the CRP application for qualifying items before you apply. These items are also listed at [www.ladwp.com/crp](http://www.ladwp.com/crp). New construction and additions do not qualify for rebates.

## Rebate Amounts

- ◆ Energy Star® rated Refrigerator: \$65
- ◆ Recycling Old Refrigerator/Freezer: \$50
- ◆ Variable/Multi-Speed Pool Pump and Motor: \$500 per unit
- ◆ Energy Star® qualified Windows: \$2.00 per square foot
- ◆ Energy Star® rated Room Air Conditioner: \$50 per unit
- ◆ Central Air Conditioner or Heat Pump: \$100 - \$120 per ton
- ◆ Cool Roofs: \$0.30 per square foot

## How to Apply

Complete the rebate application after both purchasing and installing your high efficiency product. All applications must be postmarked within 12 months of the purchase or recycling date. For your convenience, you have two options for submitting your application: online or by mail.

**For More Information** Visit: [www.ladwp.com/crp](http://www.ladwp.com/crp). Call: 1-800-374-2224 Email: [crp@ladwp.com](mailto:crp@ladwp.com).

**Please note:** Funding is limited and rebates are not guaranteed. This program shall at all times be subject to change or termination without notice.
